

# INTRODUCING FOOD AND BEVERAGE TALENT RUSH

**Executive Recruiting, Targeted Skills Research and Volume Hiring  
Optimized for Food and Beverage Related Businesses**

Is your C-Suite missing a critical member? Have you just signed a number of new franchise locations and need multiple managers to ensure success for each restaurant? Are you creating a new position in your company and need help defining the position and salary? Count on the coordinated services of **Food and Beverage (FAB) Talent Rush** to identify high performers and uncover the available talent pool that your organization needs to achieve its goals.

**FAB Talent Rush** coordinates the strategic services of top candidate research/sourcing firm Rayson & Rush Associates, and the deep industry and media expertise of FoodAndBeveragePeople Media Group to become an extension of your organization for the length of the project. Let us deliver a dynamic and diverse group of qualified candidates ready for your selection and/or provide you with the insights you need to make strategic staffing decisions.

Share your challenges with Linda Rush or Gigi Cohen. We'll work with you to outline effective solutions and a timeframe for deliverables providing you with actionable results at a fraction of the cost of third-party recruiters.
